FY 2023 CoC Program Registration: CoC Review Registration Step Now Open - *Corrected*

This message only applies to Continuums of Care (CoC) Collaborative Applicants.

The FY 2023 Registration CoC Review Step is Now Open in [e-snaps](#) for Collaborative Applicants to review HUD's determination.

The CoC Review Submission Due Date is May 19, 2023 by 5:00 PM EDT.

Who must complete this step?

Collaborative Applicants who requested Unified Funding Agency (UFA) designation must access the CoC Review step in [e-snaps](#), review HUD's determination, and either accept or dispute.

Who may complete the step, but are not required?

- If your CoC's Collaborative Applicant submitted the FY 2023 CoC Program Registration and did not request UFA designation, you can review and approve or dispute HUD's decision, but you are not required to complete this final step. HUD will move the CoC Review registration step forward for all non-UFA designated CoCs on May 19, 2023.
- There were 185 Collaborative Applications that did not register their CoCs for which HUD completed the registration in accordance with Section V.A. of the [CPD-22-02: CoC Program Registration Notice](#). If your CoC's Collaborative Applicant did not submit the registration forms in [e-snaps](#), you may review your CoC's registration during the CoC Review Step; but you are not required to complete the CoC Review step. HUD will move forward the CoC Review registration step for all non-UFA

designated CoCs that have not been completed on May 19, 2023.

- All CoC's that HUD moves forward will have access to the CoC Consolidated Application later this year when the FY 2023 CoC Program Competition opens.

No CoCs requested High Performing Community (HPC) designation.

How to access the CoC Review step?

Collaborative Applicants can access *e-snaps* at <https://esnaps.hud.gov/grantium/> to review HUD's determination and either agree and submit, at which point the CoC registration is final, or disagree and submit, at which point the registration will be returned to HUD for one final review and then returned to the Collaborative Applicant for final approval.
