Revised FY 2023 CoC GIWs Posted

This information was originally distributed via [HUD.gov](https://www.hud.gov). HUD Exchange is redistributing the information for awareness.

HUD's Office of Special Needs Assistance Program (SNAPS) posted the Fiscal Year (FY) 2023 Grant Inventory Worksheets (GIWs) for Continuums of Care (CoC) Collaborative Applicant and project applicant review on June 13, 2023.

CoCs, recipients, project applicants, and stakeholders had an opportunity to review the initial GIWs posted on the CoC Program Competitions page and CoC Collaborative Applicants submitted GIW change forms to local HUD Field Offices if corrections to the posted GIWs were required.

SNAPS completed its review of GIW change requests to ensure all known eligible renewal projects are included and it accurately captures HUD approved budget changes evidenced by fully executed grant agreement amendments.

The FY 2023 GIWs revised as a result of this review have been posted.

The GIW calculates an Annual Renewal Amount (ARA) for each project, which is the sum of each project's renewable budget line items (BLIs) (e.g., rental assistance, leasing, supportive services), and identifies the total renewal amount a project may request in the FY 2023 CoC Program Competition.
