The U.S. Department of Housing and Urban Development's (HUD) Office of Special Needs Assistance Programs (SNAPS) has posted the [FY 2024 GIWs](#) for CoC Collaborative Applicant and project applicant review. CoC-designated Collaborative Applicants should ensure all projects eligible for renewal in the FY 2024 CoC Program Competition are included on the GIW and the grant information is accurate. If changes are required, Collaborative Applicants must complete a GIW Change Form and submit the requested changes to assigned local HUD Field Offices. GIW Change Forms must only be completed by CoC designated Collaborative Applicants and should only include changes that need to be made to posted GIWs.

- Collaborative Applicants and renewal project applicants should review the information on the posted GIWs to ensure all eligible CoC Program-funded projects are listed on the appropriate CoC's GIW.
- Projects eligible for renewal are those that have **an expiration date in Calendar Year 2025** (between January 1, 2025 and December 31, 2025).
- If a project is missing, should be removed, or has information that needs to be updated (e.g., recipient changed, grant agreement amendment), the Collaborative Applicant must complete a GIW Change Form and submit it to the local HUD field office for review.
- GIW Change Forms and instructions for completing this process have also been posted on [HUD.gov](#).

Due Date: July 10, 2024

GIWs are currently posted on the GIW Homepage on the [HUD.gov](#) website at:
https://www.hud.gov/program_offices/comm_planning/coc/competition/giws

[FY 2024 GIW Review Instructions](#) and a blank [FY 2024 GIW Change Form](#) will be posted on the GIW homepage within 48 hours of your receipt of this listserv message.
