Dear Riverside County Continuum of Care Members,

We are excited to announce that the Riverside County Housing and Workforce Solutions (HWS) Department Continuum of Care Division has released its Request for Proposal (RFP) inviting applicants to apply for funding under the FY 2024 U.S. Department of Housing and Urban Development (HUD) Continuum of Care (CoC) Program.

Under this funding opportunity there is **\$14,737,635** in Annual Renewal Amount (ARA) for renewal projects, **\$2,630,530** in Domestic Violence Bonus, and **\$2,104,424** in CoC Bonus to support new projects. Attached is the Bid Notification with links to the [FY 2024 Riverside County CoC Program Competition web page](#) or County of Riverside Public Purchasing Open Bids web page. Interested bidders are strongly encouraged to review the recording and slides of the Pre-Bid Workshop from August 28, 2024.

All new project proposals and renewal project applications must be completed electronically in e-snaps, with a downloaded PDF document as well as the required documents specified in the RFP submitted to [CoC@rivco.org](mailto:CoC@rivco.org) by Wednesday, September 18, 2024 at 1:30p.m. PST. All new project proposals and renewal project applications submitted are subject to threshold reviews, evaluation, and scoring by a neutral Independent Review Panel (IRP). Selected new project proposals will be ranked together with all renewal projects for Riverside County CoC Board of Governance approval for inclusion in the Riverside County FY 2024 CoC Program Competition application.

HUD CoC funds are designed to promote a community-wide commitment to the goal of ending homelessness throughout the continuum. All interested organizations are encouraged to apply, including those that have not previously received CoC Program funding.

Thank you
